Many Activities Listed At AHS in November

The Activities Calendar for the Antioch High School for the month of November includes the dedication of the addition of the High School and the end of football season and starts off the basketball season.

Friday, November 2, is the football game with Grant at Antioch, the last game of the season.

On Wednesday, Nov. 7, the P.T.A. will hold its regular meeting at 8 p.m.

On Friday, Nov. 9, the Class Play will be presented by the Fine Arts Department. School recesses at 3 p.m.

On Tuesday, Nov. 13, for the General Faculty meeting.

The basketball season opens on Friday, Nov. 16, with McHenry the visiting team.

The Fall Band Concert will be held at 8 p.m. on Saturday, Nov. 17.

Sunday, Nov. 18, is the dedication of the addition to the High School.

The regular meeting of the Board of Education of the High School will be held Wednesday, Nov. 21, at 7:30 p.m.

There will be no school on Thursday and Friday, Nov. 22 and 23, as the school recesses for Thanksgiving.

The second six weeks period ends on Friday, Nov. 30. Report slips will be issued on Dec. 7.

In further news of the school, it was reported that a consultant from the State Dept. of Public Instruction for Safety and Driver Education recently visited the high school to observe the driver education program. The Consultant subsequently sent

a letter to the school in which he said: "This program of instruction which is presently being offered appears to be educationally sound and I personally feel that you and the Board of Education are to be commended for providing the students of Antioch High School with an opportunity to participate in such a worthwhile educational program."

It was announced that Miss Martha Heindl, School Nurse, in her first monthly report, stated that she had 47 conferences, 85 treatments, 13 exclusions, 16 accidents, 87 miscellaneous, and 2 home visits. The highest number of cases handled in one day was 21.

5,105,120 Voters Eligible Tuesday

Springfield, Ill., Oct. 20—Illinois will have a total of 10,285 voting precincts for the November 6 general election, a decrease of 49 precincts from the number for the April primary, Secretary of State Charles F. Carpenter said today.

Increases were noted in 6 downstate counties, and although the suburban area of Cook gained 34 precincts, Chicago lost 85 precincts for a total loss to Cook County of 51 precincts, Mr. Carpenter said.

The estimated number of eligible voters is 5,105,120, of which 2,413,030 are in Cook county and 2,692,090 are downstate, Secretary Carpenter said.

Election Next Tuesday

Vote As You Will—But Vote

Tuesday, November 6, is election day. The voters, after having been bombarded with propaganda at an increasing pace for some months now, will go to the polls Tuesday and let the candidates, and their party workers, know how effective their efforts have been.

Polling places will open at 6 a.m. and close at 6 p.m.

The Antioch Fire Station is the polling place for Precinct 1. Precinct 2 does it's voting at the Village Hall. Precinct 3 votes at the Lotus School. Polling place for the fourth precinct is at Grass Lake school. Precinct 5 votes at the Channel Lake School. Precinct 6 votes at the Emmons School.

All candidates, of course, are hoping for sunny skies to help bring out the voters. They're helping things along by last-minute distribution of marked ballots and literature on their favorite candidates delivered door-to-door.

The Better Government Association, a non-partisan, not for profit, citizen-supported and citizen run organization, has recommended 52 Democrats and 82 Republicans to the voters of Illinois. They make no recommendation in the race for U.S. Senator, feeling that each voter should be fully informed on

both Yates and Dirksen. For State Treasurer, they feel both candidates are out of Public Instruction, they find both candidates qualified, but prefer Ray Fago. For Clerk of the Supreme Court, they recommend Mrs. Earle Benjamin Searcy. For Trustees of the U. of Ill., they find all candidates qualified.

For Representative in Congress, they find both candidates well qualified, but McClary, they note, has the advantage of legislative experience.

For State Senator, they prefer Coulson over Green because of his legislative experience.

For Representative in the General Assembly, they recommend that you vote only

for Blairstow and Conolly. While in the early days of campaigning, there was much favorable publicity on the blue ballot, many candidates and newspapers have declared against it as election day draws near. The Lake County Republican Party recommends a "No" vote on the judicial reform amendment.

The amendment to the Banking Act has received practically no publicity, and even party workers are indecisive as to their stand on the matter. Practically no information on the Act has been released.

Rides to the polls are being offered by most precinct committeemen for those who lack transportation.

Young Gridiron Aspirants Will Punt, Pass and Kick

More than 60 boys eagerly are awaiting the opening gun at 9 a.m. Saturday, November 3, when the (second) annual Antioch Punt, Pass & Kick Competition gets underway.

The public is invited to watch the grade school entrants in contests of punting, passing and kicking (using a kicking tee) footballs at the competition site, Antioch High School football field.

The Antioch area competitors will be testing their football skills at the same time as thousands of other youths aged seven through 11, also will be competing in Punt, Pass & Kick Programs throughout the country. Scores of the winners in each local competition will be wired to the National Punt, Pass & Kick Headquarters, for comparison and determination of state and area winners. The winners in each age group in the 14 areas—the areas being set up in line with the television coverage of the 14 National Football League teams—will compete during half-time celebrations at NFL games, and ten finalists will compete at the National Football League Championship game, after a trip to Washington and a White House reception. All-expense trips to the NFL games for area winners and their fathers, and all all-expense trips to Washington and the NFL championship game for the finalists and their parents will be provided by the Ford Division of Ford Motor Company, which sponsors Punt, Pass & Kick with the National Football League.

some winners in the state and area elimination, too, and I wouldn't be surprised if an Antioch boy made that trip to the White House."

Competitors will punt, pass and kick (using a kicking tee) footballs. Scores will be determined by awarding a point for each foot of distance the ball travels on the fly, and by subtracting a point for each foot the ball lands to the left or right of the center line. Distances will be measured to the half-foot, and half points awarded or subtracted.

"Any ties among our boys will be played off at the end of the program," said Mr. Scully. "In case any of our winners are tied with other finalists in the state competition, we'll have a special play-off at a day to be announced."

Antioch sponsors of the program are Lyons & Ryan Ford dealers.

Judges for the contest are Roy Nelson, Jim Erdman, Doug Risberg and John Fields.

Mr. Scully has requested that all boys who wish to participate register at the Ford garage before closing time Friday night, and be at the football field at 9 a.m. Saturday.

Class Play On Nov. 9-10

The cast for the Junior Class Play being presented on November 9 and 10 has been selected and are rehearsing for their roles in "The Diary of Anne Frank."

The cast includes Jerry Berke as Mr. Frank, Joan Tanner as Miep, Sandee Drucker as Mrs. Van Daan, Ernie Westlund as Mr. Van Daan, Lloyd Pedersen as Peter Van Daan, Verna Turvaara as Mrs. Frank, Janet Polley as Margot Frank, Surya Brook as Anne Frank, Robert Thomley as Mr. Kraler and Jeff Ryan as Mr. Dussel.

Understudies are Willette Monnier for the role of Mrs. Van Daan, Jean Price for the role of Mrs. Frank, Linda Caldwell for Miep and Margot, and Julie Nissen for Anne Frank.

The story of the play is true and takes place during the years of World War II and immediately thereafter. The setting is the attic of a factory in Amsterdam, Holland. As the entire play takes place in one setting and the characters have little chance to leave the set, each of the ten characters is important. Mr. Smouse, the director, stated that The Diary of Anne Frank was an excellent play and will probably be the biggest and best that Antioch High School has ever produced.

FATHER HENDERSON of St. Peter's Church, Antioch, receives another check for the St. Peter's Social Center. Representing the Knights of Columbus, donors, are, left to right: Albert Smith, Chancellor, Father Henderson, Emil J. Kuba, Grand Knight and Chet Cozy, District Deputy.

Four AHS Students Honored By NMSC

Four seniors at Antioch Township High School have been honored for their high performance on the National Merit Scholarship Qualifying test (NMQST) given last spring. Each student who is endorsed by his school receives a formal Letter of Commendation signed by his principal and the president of the National Merit Scholarship Corporation.

Albert L. Dittman, the school's principal, has announced that the Commended students are: John E. Hall, Solveig H. Nelson, Janet M. Polley and Richard L. Prossie.

John M. Stalnaker, president of the National Merit Scholarship Corporation, stated: "About 28,700 students throughout the country are being awarded Letters of Commendation in recognition of their excellent performance on the qualifying test. Although they did not reach

Wauconda Upsels Warren Blue Devils

The Wauconda Bulldogs came off with what must be the upset of the season Saturday as they topped a tough Warren squad 25-10. It was Wauconda's first victory over the Blue Devils in six tries. It was a hard fought battle all the way with the first quarter ending in a 6-6 deadlock. The two squads left the field at the halfway mark tied 12-12.

The turning point came in the third period when Warren blocked a Wauconda punt on the Bulldogs' 12 yard line and failed to penetrate the Wauconda defense for the touchdown.

The Bulldogs took over on their own 26 and drove to the 41 yard line where Ron Christ Wauconda fullback, took a screen pass from Don Miller and scampered 59 yards for the score.

Shortly afterward the Bulldogs recovered a Warren fumble on the 25 and later went in for the touchdown.

Are You A Horseshoe Nail?

Remember the old legend—
For want of a nail, the shoe was lost—
For want of a shoe, the horse was lost—
For want of a horse, the warrior was lost—
For want of a warrior, the battle was lost—
And all for the want of a horseshoe nail.

The quotation may not be absolutely correct, but it's close enough. And your vote could be the horseshoe nail in Tuesday's election.

Main Issues: Opportunity, Freedom

Two Republicans who hope to be working as a team in Washington next year agreed in Highland Park Monday night that the main issue today is "freedom and opportunity." They were U.S. Senator Everett M. Dirksen of Pekin and former Illinois State Senator Robert McClary, Lake Bluff, candidates for U. S. Senate and U. S. House of Representatives, respectively.

Dirksen told over 300 persons at the Highland Park American Legion Hall that his parents had fled from Europe years ago for two reasons: "to escape from King-ship and to seek freedom and opportunity." McClary harmonized on the same theme by saying a strong, vigilant Congress must "strengthen our free enterprise system and provide equal opportunity for all Americans."

Dirksen observed that whereas President Lincoln, in the 1860's faced a nation half slave and half free, now Americans see a world similarly divided but our object is the same, "freedom." McClary stressed the importance of crushing domestic schemes which would "chip away at our local and individual freedoms" by concentrating political power in the federal executive. Dirksen sounded the same note by wondering how much longer we could continue to "chop off bits of the dog's tail without killing the dog."

Key play was a 22 yard run by Steve Boehmer.

Warren scored again late in the fourth period on a 45 yard pass play. Grom to Tittle. Warren's last hopes went aglimmering when Ron Christ intercepted a Warren pass deep in Wauconda territory.

Appoints Chairmen For M.D. Drive

Lee Phillip, prominent WBBM-TV personality and chairman of the Mothers' March on Muscular Dystrophy for the Greater Chicago Area Chapter of the Muscular Dystrophy Associations of America, Inc., today announced the following appointments for the fund-raising drive on Sunday, Nov. 18: Zone Chairmen: Mrs. Arthur Letkey, 322 Cedarwood Lane, Oakwood Knolls, Antioch, and Mrs. Dorothy Colbert, P. O. Box 205, Venetian Village, Lake Villa.

Fire Dept. Elects New Officers

The Antioch Fire Department elected new officers at a meeting of the members on October 9.

New president is Virgil Burnette, replacing William Vos; new vice president is Frank Feller, replacing John Christiansen; Secretary Earl Pape was re-elected to that office; Treasurer Irving Walsh was also re-elected.

Delegates to Lake County Fire Association meetings were George Boyd, Dan Kasek, and Frank Johnson.

Jack Palmer has returned to the fire department after six months service in Korea. Two other members are still in service. Ronnie Cunningham at Fort Riley, Kansas, and Jerry Van Patten at Fort Ord, California.

NI Gas Co. Cuts Bills

Gas bills for Northern Illinois Gas Company customers will be reduced as the result of a pipeline rate reduction and a refund of approximately \$3,900,000 NI-Gas expects to receive in about 30 days from one of its suppliers, Natural Gas Pipeline Co. of America.

The reduction and the refund, according to H. E. Ford, NI-Gas vice president, will apply to all NI-Gas customers. Residential customers using gas for space heating will save an average of about five dollars over the next 12 months.

Ford said this reduction is in addition to the previously announced \$1,000,000 rate reduction NI-Gas will make beginning Dec. 1.

Hands Off Mail Boxes Warns P.O.

The Post Office Department through Postmaster Roy I. Kufalk today issued a warning that it is a federal offense to willfully or maliciously injure, tear down or destroy any receptacle used for the receipt or delivery of mail. In the past, rural mail boxes have been frequent targets of pranks.

However, it is stated that before such pranks attack a rural mail box it might be well for them to consider that their activities could net them a \$1,000 fine or 3 years imprisonment.

Stealing, taking or abstracting mail from any receptacle is also a federal offense and could net a \$2,000 fine or 5 years imprisonment, or both.

Postal Inspectors investigate cases of thefts of and damage to rural mail boxes and also the theft of mail matter contained therein and turn offenders over to the United States Attorney for criminal prosecution.

The Government takes a very serious attitude toward such depredations and requests that anyone having information which might lead to the identification of persons responsible advise his postmaster at once.

Voters Without Registration Cards

Don't stay away from the polls next Tuesday just because you haven't received your voter's registration card in the mail, says Mrs. Helen Burke, Republican Precinct Committeewoman.

Many registered voters, who are eligible to vote, have not received their cards due to the fact that they were mis-addressed, says Mrs. Burke. The many changes in route and box numbers in the last year has created some confusion, and the cards were returned to the sender by the postoffice department. However, these people are eligible to vote.

WHILE BULLDOZERS clear and level the ground around it, the old home of the Antioch Travel Agency awaits removal.

Vote "No" On Blue Ballot

That the Judicial system of the State of Illinois needs re-vamping is readily conceded. But we feel that the dangers of abuse are inherent in the proposed judicial amendments to be voted on November 6.

The proposal to eliminate election of Circuit judges, making their position permanent, could easily lead to incredible corruption which the voter would be powerless to fight. Should racketeers gain control of a few of these "permanent" judges, both the public and honest police departments could find themselves in a stranglehold.

The argument that the pressure of running for re-election leads to pressures honest judges should not have to cope with, no doubt has some truth in it. But the prospect of running for re-election may also put pressure on the judge to remain honest. If it isn't a perfect system, it is, at least, the best democracy has been able to come up with to date.

The contention that the centralization of courts, eliminating all local magistrates and justices of the peace, would lead to a smoothly efficient and more economical system we view with suspicion. Centralization of power in government, has never proved in the past either efficient or economical.

We see no good reason to believe that half as many judges, bailiffs, clerks, and other employees of the judicial system are suddenly going to be able to do twice as much work in a day as twice as many could do before.

We think the bad qualities of the Blue Ballot on Judicial Reform outweigh the good qualities. And we recommend that you vote "No".

The "Right" To Vote

OFFICIALS DECIDE POLLS WILL NOT OPEN TUESDAY.

What would your reaction be if that were the headline in your newspapers next Monday? Or if you went to the polls to vote, and found them closed? Or even if you didn't intend to vote, and a neighbor told you voting had been abolished?

You'd be indignant, wouldn't you? There would be considerable hurrah about "our right to vote."

And yet, voting is not a natural "right" of man. It's a privilege that multitudes of people before you have suffered and died to win for you, and to keep for you.

It's a privilege that people in other parts of the world are dying far, right now. And there's no guarantee that it's permanent.

The right to vote can only be preserved through the continual exercise of that right. If fewer and fewer people vote each year, eventually the few who continue to vote will determine the fate of the nation. And we may wake up, some morning after election, to find that minority has voted to disbar the rest of the populace from voting.

It won't come swiftly. It will come slowly, with a small freedom taken from you here, and another there, until you become so used to accepting the dictates of others, so used to the idea that someone else knows better what's best for you, that perhaps you'll be glad to be relieved of the responsibility of forming your own opinions.

And then it will take a bloody revolution, and more lives lost, to reclaim the privilege that our ancestors won for us.

For Your Vote We Like--

The list of candidates for Tuesday's election is indeed a long one. It is filled with names both familiar and unfamiliar, qualified and unqualified, experienced and inexperienced. The choice of the individual voter is a difficult one but nonetheless... an important one.

Following our policy of endorsements, the following are a few of the candidates we believe deserve your vote Tuesday:

For State Senator, we recommend Robert Coulson. Mr. Coulson has a raft of legislative experience and knowledge. We feel he has done a creditable job in every office he has held thus far. Coulson had our support for U. S. Congressman in the primary last April and we see no reason to change that opinion now.

For State Representative, John H. Connolly gets our nod, and departing from the Republican line we go with Jack Bairstow. Both are well qualified and Bairstow has legislative experience.

For State Representative, John H. Connolly gets our nod, and departing from the Republican line we go with Jack Bairstow. Both are well qualified and Bairstow has legislative experience.

For Representative in Congress we favor Robert McClory over John Kimball. We make this choice more from Kimball's all-out support of President Kennedy's "welfare state" plans than any leanings towards McClory.

For Lake County Sheriff, Charles Larson's overwhelming experience and knowledge are too much to overlook.

In case you have overlooked it in the worry about the Cuban Crisis and the "at-mos-tar" in India, there is an election coming up Tuesday and the usual strenuous efforts to "get out the vote" are being waged.

Despite the efforts of the candidates, political organizations and those organizations dedicated to 100 percent participation in elections, the total vote should fall considerably short of a full turnout.

For the great bulk of Lake County voters the issue was decided in the primary balloting last spring when the Republican nominees were chosen, and despite a better-organized and better-financed campaign than usual by the Lake County Democrats there is little likelihood that anything will happen next Tuesday to prove them wrong.

Judging from the noise emanating from the County Board of Supervisors it would appear that the Democrats would have a few effective issues to use in the campaign at county level, but with the exception of John Balen, candidate for County Clerk, they are being overlooked by most of the county candidates.

Balen, the only county official elected as a Democrat, has scattered his ammunition in a fruitless battle with the rest of the county board members, but has gained enough publicity so that he may cut into the comfortable margin of victory Garfield R. Leaf could normally expect in his bid for re-election.

Waukegan Police Magistrate John Hughes, who is running for Probate Judge, can also expect to reap some benefit from the publicity he has received as a jurist, but it is unlikely that he will cause GOP nominee LaVerne Dixon any great anxiety.

The only other contest worthy of the name is in the race for State Representative where two candidates on each ticket are seeking the three seats available.

On the strength of their being incumbents you have to like the chances of Antioch's W. J. Murphy, a Republican, and Waukegan's Jack Bairstow, who sits across the aisle in Springfield.

This leaves John Connolly, of Gurnee, and North Chicago Police Magistrate John Matijevich to battle for the third post.

Both men campaigned hard for their nominations and both have been working hard all summer, but the sheer weight of Republican votes in Lake County should give Connolly a comfortable victory margin.

Former State Representative Robert Coulson, who was understandably reluctant to venture into Boone and McHenry counties after the April primary revealed that his friends were few and far between out there, has found the climate more salubrious in the summer and fall and should win going away in his battle for State Senator with Mundelein Police Magistrate John Green.

In the other races, County Judge Minard E. Hulse, Charles Larson, running for Sheriff; Hugo L. Schneider, Jr., candidate for Probate Clerk; and Karl Berning, County Treasurer aspirant, Republicans all, should win handily.

In the upper part of the ballot, the Cuban crisis and the dramatic recall of U. S. Senator Everett M. Dirksen to Washington, should assure the Minority leader's re-election over Democrat Sidney Yates.

In the race for Congress Republican Robert McClory has pulled out all the stops in his campaign and, despite a strenuous effort by John Clark Kimball, the 12th Congressional District seat should be Republican by a clear margin.

It is no secret that McClory's popularity in Lake County needs some patching, but he has mended a lot of fences and party ties are strong. His only danger would come from Republicans sitting on their hands Tuesday and he has campaigned hard to forestall such an eventuality.

In the two top state jobs up for election, State Treasurer and Superintendent of Public Instruction we foresee a split with Democrat Francis S. Lorenz, retaining his post as State Treasurer and Ray Page ousting George Wilkins, the Democratic incumbent in the state school job.

It seems that a Democrat with Lake County ties, no matter how tenuous, has a good shot at a state job and Lorenz has a brother, Ray Lorenz, who operates Lorenz's Smart Country House in Antioch.

After all Gov. Otto Kerner's Lake County ties were slender and former Gov. Adlai Stevenson was a Lake County resident almost by sufferance.

Dan Q. Posin, the scientist who has the ability to make complicated scientific facts and theories understandable to those of us who have no background knowledge of the subjects in which he deals, had an amusing and thought-provoking (or maybe it just provokes fanciful mind-wanderings) article on Life on Mars in a recent Sunday Tribune.

Dr. Posin must love, his work—he has so much fun with it, and makes sprightly reading of subjects other men plow through with grim, dull, didactic words, as though saying, "Now, this is serious business. We know it's dull, and difficult, and you probably won't understand it anyway, but try."

Dr. Posin presents various artists' conceptions of life on Mars, including his own, who are very much like you and me. Martian children he dubs Martinis. Which should make them popular with a lot of earth people.

He suggests that maybe Martians have reached earth, without suggesting when, or a possible result. Which is where you can take off with your own imagination.

It might be possible that Adam and Eve really originated on Mars (to appease sticklers for word-for-word interpretation of the Bible) and man on earth is descended from Martians. Perhaps, way back in the gloom of antiquity, a colony of Martians landed on earth and only a small number—maybe even two—could adapt to the difference in atmospheric conditions. So, finding colonization impractical, the Martians abandoned it. And here we all are, descended from Martians.

Or maybe you've got a better theory. Have fun. Dr. Posin says we'll probably know by 1970, when or thereabouts, when we land on Mars.

November, 1962 WEATHER FORECAST

Chicago area weather during the month of November is expected to average colder than normal, and somewhat on the drier side.

TEMPERATURE DETAILS:

A trend towards colder than normal will be evident from the very beginning of the month. This trend will grow progressively more pronounced throughout November, and reach maximum intensity the latter half.

The first week of the month will average about normal, with many fluctuations widely on either side of normal. The period from November 8th thru the 14th will stay more on the colder than normal side, with more of a steady trend developing. November 15th thru the 21st will be marked by even more severe weather, and averaging considerably colder than normal; Then shortly after the 21st some real cold-wave outbreaks will occur, which will drop temperatures well down into the teens or the low twenties for several days... with the average for the last ten days of the month being greatly colder than normal.

PRECIPITATION DETAILS:

Most of the precipitation for the month will occur during the first half of the month before the really cold weather sets in. The first week of the month will be marked by at least two significant, but short-lived, storms bringing fair amounts of precipitation. November 8th thru the 14th will be relatively dry, with only minor amounts of rainfall. Around the 15th or 16th considerable rain will fall associated with a cold front; then becoming rather dry until around the 21st. On about the 22nd, Chicago is expected to experience its first snowfall of appreciable amount when several inches will accumulate. This will stay on the ground with little melting expected thereafter due to severe cold weather for the remainder of the month. Only snow flurries are expected from November 23rd through the 30th.

WIND DETAILS:

November is expected to be rather windy, particularly the last half of the month. Periods of maximum wind will be around the 7th, the 15th or 16th, and the 22nd, when wind velocities will reach 30 to 40 miles per hour at times. The last ten days of the month will experience moderately to occasionally strong winds during several periods of fairly long duration, which will make the severe cold more pronounced.

Total Degrees of Heat Demand accumulated for the period Sept. 1, 1962 thru October 30 are 524. Last year for the same period the amount was 528. September of the year was colder than Sept. '61, but Oct. '62 was warmer, therefore total degrees of heat demand are just about the same.

THE ANTIOCH NEWS 3
THURSDAY, NOVEMBER 1, 1962

An expressway is a place where motorists are likely to have an accident by standing still. And, says the Institute for Safer Living, longer hours of darkness during winter months increases the hazard. If you must stop, pull well into the breakdown lane, or off the pavement and set out a flare.

Wedding of Janice Duha and John Steitz at Lake Villa

Janice Marie Duha and John L. Steitz, Jr., were united in marriage at the Lake Villa Methodist Church at 5 p.m. on October 20 in a single ring ceremony with the Reverend Smith officiating. Janice is the daughter of Mr. and Mrs. Robert Duha of Bluff Lake. Mr. Steitz is the son of Mr. and Mrs. John L. Steitz of Bluff Lake.

The bride wore a satin floor-length gown with a bustle back and train, and having long sleeves and a boat neck trimmed with seed pearls. She carried an old-fashioned bouquet of white roses and stephanotis. Her veil was held by a pearl crown.

The maid of honor was the bride's sister, Miss Sue Duha. Bridesmaids were Miss Sherry Davis and Mrs. Robert J. Duha, sister-in-law of the bride. The maid of honor and the bridesmaids wore emerald green sheaths with an overskirt. They wore pillbox headpieces of the same material, edged in pearls, with a small veil. They carried baskets of yellow, orange and white mums with a few sprays of cattails and wheat.

A reception for the guests was held at the United Steel Workers Hall in Waukegan. The couple went on a honeymoon trip to Ft. Lauderdale, Florida.

The bride and groom both graduated from Antioch High School. The groom also attended Bradley University at Peoria.

"Sky Eyes" at Woman's Club

American Indian artist will present a program for the Antioch Woman's Club. "Stay Young With Fun" is the title of the program, to be presented for the Antioch Woman's Club by "Sky Eyes," a dynamic personality with many talents, on Monday, Nov. 5, at the Scout House on Main street.

The hostess committee for the day will be Mesdames Walter Mozal, James Kopriva, Charles Watson, A. O. Wiegart, A. Kaufmann, Frank Kennedy, Jr., W. J. Murphy, Leonard Roblin, Roy Turvaara and Robert Gaston.

Ludtke-Stefan Wedding at St. Paul's Church in East Troy

Miss Diana Ruth Ludtke became the bride of Dennis Carl Stefan on Saturday, Oct. 20, in a double-ring service at St. Paul's Lutheran Church at East Troy, Wis., with Pastor E. H. Semenske officiating, assisted by Reverend R. Potho.

The bride is the daughter of Mr. and Mrs. Elmer Ludtke of East Troy. The groom is the son of Mr. and Mrs. Carl A. Stefan of Rt. 1, Trevor, Wis.

The bride wore a floor length gown of white brocade with pearl-studded neckline, sweeping train and fingertip veil. She carried white chrysanthemums with purple-throated orchids.

Maid of honor was Miss Bonnie Ludtke, sister of the bride. Bridesmaids were Miss Lorelei Stefan, sister of the groom, and Miss Judith

Wortman. The bride's attendants wore gowns of deep purple with matching accessories and carried white chrysanthemums. La Verne Polich, the flower girl, wore a replica of the bride's gown.

Laddie Polich was best man and Tom Anderson and Larry Koepfen were groomsmen, with Al Yanea and Roger Karpel serving as ushers.

A reception for about 450 guests was held at the Waterford Bowl. The couple will reside at Rt. 1, Trevor after their return from a trip to California.

The bride is a graduate of East Troy High School and was employed as a secretary at the Elkhorn High School. The groom is a graduate of Wilmet High School and is employed by the Jewel Tea Company.

50th Wedding For Cianos

By Mrs. Bernice Bernau

On October 20, 1912, Minnie Ventura, 15, became the bride of Charles Ciano, 22, at Guardian Angel Church in Chicago. On October 20, after the 11 a.m. Mass at Prince of Peace Church in Lake Villa, they renewed their vows. Approximately 92 relatives and old friends attended the Mass.

Five of the guests were people who had attended the wedding. They were Jack Monaco, Angie Rovelle, Silena Olivieri, Mike DeBartolo, and Frances Molinaro. Miss Molinaro had been one of the four bridesmaids. Mrs. Lena DeBartolo of Highland, another bridesmaid, was unable to attend.

The Cianos were never blessed with children of their own, but they were the godparents of 26 boys and girls. Four have died, some they have lost track of, but ten were able to attend the celebration. Their first godchild, John Settino of Villa Park, and his orchestra, donated their services.

The reception was held at the Lindenhurst Civic Center from 12 noon until 4 p.m. A sit-down dinner was served. All the nieces brought cookies and Mrs. Babe Hartwig baked the beautiful four tier cake that was decorated with gold leaves and flowers. They danced the first dance together when the "Anniversary Waltz" was played. A niece, Miss Ella DeBartolo was celebrating her birthday sang "Happy Birthday" to her.

Among the guests were Monsignor Edward Pellicore from Our Lady of Perpetual Help Church in Chicago, the nephew of Mrs. Ciano's brother; Fr. Davis Lynch of Pince of Peace Church of Lake Villa, and from Lindenhurst: Mr. and Mrs. Ray Verdieck, Mr. and Mrs. Fred Zandier, Mr. and Mrs. Thor Neumann, Mrs. Marge Campbell, Mrs. June Shmick, Mrs. Jenny Volpentesta (sister of Mrs. Ciano), Mr. and Mrs. Jim Hartwig and family. Mrs. Hartwig is the daughter of Mrs. Volpentesta.

Mr. Ciano was born in Cosenza, Italy, and came here when he was 17 years old. He worked for the National Biscuit Company in Chicago on Randolph Street for 45 years until he retired in 1956. Mrs. Ciano was born and raised in Chicago. They lived in one house for 33 years before they moved to 2417 Sand Lake Road in Lindenhurst six years ago. If they ever sell their home here, they would like to live in Arizona.

OAKLAND P.T.A.

The November meeting of the Oakland P.T.A. will be Monday, Nov. 5, at 8 p.m. After the business meeting Dr. Kopriva will give a Doctor's Lecture on Health and the Well Being of the Child at School, the Immunization program and signs and symptoms for keeping child home from school. A question and answer period for audience participation will be held after the lecture.

Refreshments will be served by the Sixth Grade room mothers and their committee.

Honor Otto Hanke On 89th Birthday

A potluck dinner at the home of Mr. and Mrs. Otto Hanke, Sr., on Route 173, on Sunday, Oct. 28, honored Mr. Hanke on his 89th birthday. His birthday is Nov. 1.

Present to help celebrate the occasion were Mr. and Mrs. J. W. Gilpin, Mr. and Mrs. Edgar Simonson, Mr. and Mrs. Otto Hanke, Jr., of Des Plaines, Wayne Hanke and Carol Osterlund, Antioch, Mr. and Mrs. George Gilpin and family of McHenry and Mr. and Mrs. Richard M. Gilpin and son of Wildwood. Afternoon callers at the Hanke home included Mr. and Mrs. Joseph Greenwald of Salem, and Mr. and Mrs. Gerald Greenwood and family of Delavan, Wis.

Campus News

Terry Ptack, 108 Oakwood Dr., Antioch, has been selected as a member of the St. Olaf college Chapel Choir. Mr. Ptack is a junior at the Northfield, Minn., college.

In addition to singing for services of the St. Olaf Student Congregation, the Chapel Choir performs in the annual Christmas Festival and joins with the St. Olaf Orchestra in presenting a spring concert.

Dorothy Galiger (Mrs. Frank) of P. O. Box 3, Lake Villa, is a junior at Lake Forest College this fall. Mrs. Galiger previously attended Marquette University, Milwaukee, Wis.

MOUNT VERNON, Iowa—William Dressel, son of Mr. and Mrs. Clarence Dressel, 2619 Cornelia Apt. 4, Waukegan, was chairman of a student-sponsored Alcohol Seminar held on the Cornell College campus recently. Mr. Dressel attended the Inter-collegiate School of Alcohol Studies at McMaster University in Hamilton, Ontario, last summer as a representative of Cornell.

The Cornell seminar, organized by the student council in conjunction with the Methodist church, has as its purpose an objective, educational, psychological and sociological effects of the use of alcohol and an attempt to investigate the motivations for its use.

Births

A girl, Lori Lynn, was born to Mr. and Mrs. Elvin Otto Meyer of rural Antioch on October 22, at Lake Forest Hospital. The maternal grandmother is Lillian Kazlauskis of Fox Lake, and the paternal grandparents are Mr. and Mrs. H. Meyer of Rt. 1, Antioch.

ALTAR AND ROSARY SOCIETY GUEST SPEAKER

Public Health Nurse Mrs. John Grady will be guest speaker at the November 5 meeting of St. Peter's Altar and Rosary Society. She will show a movie on The School Health Program and hold a discussion period afterwards.

Refreshments will be served by the Sixth Grade room mothers and their committee.

Meetings & Events

100 ATTEND P.T.A.

The Antioch Grade School P.T.A. met October 18, at 7:30 o'clock with approximately 100 persons in attendance.

After a very brief business meeting in which it was voted to start future meetings at 8 p.m., Mr. Sau Young, of the Lake County Mental Health Association, gave a short talk on "The Emotional Problems of Elementary School Children." Mr. Young during his speech and in answering questions during the discussion period, explained among other things some of the symptoms of an emotionally disturbed child, how the Mental Health Clinic operates and pointed out that teachers, because of their training and experience in dealing with many children, are frequently a very important source of difficulty in an emotionally disturbed child.

Following this interesting discussion, there was a meeting of the teachers with their respective room mothers. Room count was won by Mrs. Ruth Baethke's first grade with second place being won by Mrs. Rosalie Pechulis' second grade.

Hostesses for the evening were 7th grade room mothers, Mesdames W. Polsgrove, W. Reeves, Jr., E. Dotson and H. Smith.

RECITAL AT MILLBURN STUDIO OCT. 28

Students of the Laura Young Studio at Millburn gave a piano and organ recital at the Millburn school last Sunday. Pupils who took part in the program were Karen and Carol Sillanoff, Georgine Palasko, Pamela and Heather Hunley, Janice and Gary Doolittle, Patricia Denman, Margo Snell, Ruth Billharg, Greg Redmer, Gail Bonner and Julia McCullon.

Miss Phyllis Morris of Waukegan also entertained the audience at the organ, and Ingeborg Wiegart was guest soloist.

The ages of the children who performed range from 8 to 16 years and from beginning students to advanced.

GUEST DAY AT W.S.C.S.

It will be Guest Day when the W.S.C.S. of the Methodist Church in Antioch meets at Wesley Hall at 1 p.m. on Wednesday, Nov. 7. Members from neighboring churches have been invited to attend the meeting.

The Devotions will be given by Mrs. Donald Cobb. Guest speaker will be Mr. Harry Stinespring, who will speak on "Family Portraits."

Mrs. S. Boyer Nelson and Mrs. Samuel Ries will be co-chairmen of the meeting.

VISITOR AT KOSTOCK HOME

Martha Hall of Lewiston, Idaho, has been visiting her sister, Mrs. Minnie Kostock of Channel Lake Bluffs for the past three weeks.

EMMONS SCHOOL PARENTS CLUB

The Emmons Grade School Parents Club will hold its regular meeting on Tuesday, Nov. 6, at 8 p.m.

Theme of the meeting will be "Fun With Food." There will be demonstrations of the art of decorating cookies, etc.

Guests are invited to attend.

GRAND CROSS OF COLORS AT MILLBURN NOV. 11

The annual dinner for the Grand Cross of Color members and designates, who live in the Northern District of Illinois, will be held on Sunday, November 11, at 5 p.m. at the Millburn Masonic Temple. Conferring of the Grand Cross of Color Degrees will be presented at 3 p.m. in the Millburn Masonic Temple.

Designates are to notify Mrs. Martha Hunter if they wish to receive this honorary degree. Reservations must be sent with remittance no later than Monday, Nov. 5, to Mrs. Walter Fountaine, Rt. 2, Box 620, Gurnee, Ill.

NW Student Councils Meet at Grant High

The Northwest Conference Student Councils held their annual convention at Grayslake High School on Oct. 18, at 7 p.m. "By What Values" was the theme of the meeting.

The program opened with a movie dealing with prejudice. A discussion period followed.

JUNIOR LEADERS TRAINING CONFERENCE

Over 400 Boy Scouts and leaders attended the Council Junior Leaders Training Conference on Oct. 5 and 6 at Deere Grove Forest Preserve.

Areas of instruction the Junior Leaders gained experience in were: "The Who, How, When and Why of Good Patrol Meetings" led by Bill Campbell, Scoutmaster of Troop 101, Wilmette.

"Patrol Games," handled by Al Smith, adviser of Post 35, Highland Park.

"Patrol Ceremonies," under the leadership of Vern Ahlstrand of Glenview, Training Chairman of the Skokie Valley District.

"Planning and the Development of Good Patrol Camping" sessions were led by Bill Bricker, Scoutmaster, Troop 18, Winnetka.

"Patrol Cooking, Planning and Clean-Up" was handled by Julius Kublank, Scoutmaster of Troop 77, Mundelein.

"Knives and Axmanship" was instructed by Frank Shamroe, Scoutmaster of Troop 65, Northbrook, that led to the earning of the Totin' Chip.

"Tincandercraft" was under the direction of Paul Conley of Highland Park, member of the Lake Shore District Training Committee.

Every Scout attending was assigned to a patrol and troop with other Scouts representing the 50 different troops participating from the North Shore Area Council. Each patrol developed a patrol flag and patrol name. Lunch and supper were prepared by the individual patrols. The evening program of each troop consisted of wide fun games and a closing campfire.

Here Is Why It's So IMPORTANT That You Send John Clark Kimball To Congress Nov. 6!

JOHN CLARK KIMBALL, DEMOCRATIC CANDIDATE FOR CONGRESS, 12th DISTRICT

The terribly crucial decisions that must be made in the months ahead will affect the safety and well-being of this generation and many generations to come. These decisions will be made by President Kennedy and the two houses of Congress.

The Congressman you send to the House of Representatives in Washington will help shape these decisions and will be called on to answer the complex problems of this nuclear age!

You'll want to choose your congressman with care. You'll want him to have these important qualifications:

- **FOREIGN AFFAIRS EXPERIENCE** — John Kimball has served our country as a U.S. Foreign Service officer in Southeast Asia and is a lecturer on foreign and defense policy.
- **MILITARY EXPERIENCE** — A navy pilot in World War II, John Kimball is an air intelligence officer in the U. S. Naval Reserve, Glenview, Illinois.
- **BUSINESS EXPERIENCE** — Kimball has been corporate public relations counsel for past six years — has served as author, foreign correspondent, editor.
- **COURAGE** — Kimball has carried his campaign to the people, discussing the nation's vital issues, answering questions freely, while his opponent has run from public debate.
- **INTEGRITY** — John Kimball will fight hard for the interests and rights of ALL the people of Lake, McHenry and Boone counties... not for special interest groups.
- **KIMBALL FOR CONGRESS**

Scouts Prove Mettle; Down Antioch, 41-0

The Antioch Sequoia became a member of a growing society Saturday as they lost to the now Conference Champions, Lake Forest. The victory marked number 29 for the Lake Forest Scouts, the longest victory string in Illinois prep history.

For part of the first quarter it looked as if the Sequoia were going to give the Scouts more than they bargained for. The picture changed midway through the first quarter when Tim Weigel went in from the 6 yard line, capping a 36 yard drive.

The Sequoia failed to move the ball and Lake Forest took over to march 56 yards and their second touchdown. That ended the scoring for the first stanza.

Still suffering from the jitters the Sequoia fared even worse in the second period. The Champs moved out of reach by the halftime ceremonies and left the field resting on a 31-0 lead.

Lake Forest added 10 more points in the second half on a touchdown by Tim Feenster and a field goal and PAT by Ray Dixon to make the final tally 41-0.

The only bright spot for Antioch came in the fourth period when Jim Brownlee passed to Les Geist from the Lake Forest 40 yard line and the play went for 15 yards.

Later, Tom Furlan took an aerial from John Lear and went 16 yards to the Lake Forest 9 yard line. This was the deepest penetration the Sequoia were able to manage.

Ray Dixon intercepted a pass at this point and returned it 40 yards before Les Geist brought him down from behind.

Roy Nelson, Sequoia mentor, in commenting on the Lake Forest squad said, "They are a good team and deserve to be the Champions."

Nelson had praise for the individual efforts of some of the Sequoia players. Doug Lang made some good hard tackles, he said, as did Lon Ipsen. Les Geist made some good saves and was a stand-out on offense.

The Sequoia will close out the season against Grant High School Friday night at Antioch. Nelson said, "We will hold our own against Grant and will be trying to finish the season with a victory."

Grant holds a record of 2 and 4 for the season and if the Sequoia could walk off the field with a win it would mean a tie for 6th place. Game time is 6:30 p.m.

Deer Season For Archers Open Soon

William T. Lodge, director of the Illinois Department of Conservation, urges bow hunters to apply for their deer hunting permits as soon as possible.

The first portion of the Illinois bow and arrow deer season begins Nov. 16 and ends Nov. 28. The second portion is from Dec. 6 through Dec. 31. Hunting hours are from one-half hour before sunrise until 4 p.m. (CST).

"There are no county quotas for bow hunters," Lodge said, "but a number of sportsmen wait until the last minute to obtain a permit. Some of the applications cannot be processed in time. The sooner we receive the application the sooner the hunter receives his permit."

Little League Elects Officers

At a public meeting held recently, the following officers of the Antioch Little League were elected for 1963: E. Dotson, president; G. Voling, vice president; and G. DeBoer, secretary-treasurer.

In the near future another meeting will be announced; any adults desirous of taking an active part in the League should attend that meeting or contact one of the officers.

NICC Plans Club House

By Harry H. Stern

Details of Northern Illinois Conservation Club's turkey shoot, slated for Sunday, Nov. 11th on Highway 21-83, one mile south of Antioch were reported as progressing satisfactorily, at the Oct. 24 meeting at Channel Lake School. Plenty of plump young turkeys, ducks and cornish hens will be on hand as prizes for winning gunners at the shoot, which will begin at 10 a.m. and continue until dark.

In another action, the Club voted to accept the offer of Allan Gifford of the use of the main building on the old 9 hole Channel Lake golf course as a club house. Pres. Richard Waters, appointed Joe Volk, William Chase and Joe Walsh as a special committee to handle all the necessary details incidental to bringing the property under control of the club.

William Schroeder of Long Lake was elected to a coveted Honorary Membership in the club for his extraordinary effort in behalf of the NICC and its conservation program.

State Representative W. J. Murphy advised the club that Supt. of the Fisheries Division of the Conservation Department Wm. J. Harth would like to address the membership in regard to the requested Chain of Lakes fish survey. An invitation was forwarded to Harth for the November 28 meeting and to Bruce Muench, who would most likely be in charge of such survey. The Club's Plan for trapping carp will also come up for discussion.

The public is cordially invited to attend this meeting to hear the talks and to present their ideas for consideration.

The NICC's second annual Ice Fishing Derby was set into motion by the appointment of Milt Brozik, Lester Chinn, Emil Kubs, Ed Duncan, William Schroeder and Publicity Director Harry H. Stern, headed by President Richard Waters. James Waters, Club secretary, will handle the necessary correspondence.

Grant holds a record of 2 and 4 for the season and if the Sequoia could walk off the field with a win it would mean a tie for 6th place. Game time is 6:30 p.m.

Grant Bulldogs 19-13

The Round Lake Panthers rallied Saturday to eke out a 19-13 win over the Grant Bulldogs at Round Lake. The victory moved the Panthers into a three way tie for second place with Warren and Grayslake.

The Bulldogs scored twice in the first period but Round Lake after scoring in the first came back to tie it up in the second quarter, 13-13, on a pass from Tim Bruns to Glen Waters.

Bruns tossed his only other pass of the day early in the third quarter and made it good for 30 yards and the winning touchdown to Bob Ferrone.

and quarter and left the field at half time on top of a 19-12 score. The Rams took the second half opening kickoff and marched 65 yards with Parker finally going in for the TD and Jim Stone added the tying extra point.

Doug Rosene recovered the next kickoff for the Rams on the Bears' 40 yard line and the Rams moved in front 25-19 on a 3 yard plunge by John Ivester.

It was Grayslake all the way from that point on John Ivester went 42 yards on a sweep for the Rams' fifth TD.

New FDA Regulations Are Opposed by Abbott's Labs

Proposed regulations affecting vitamin-mineral preparations and artificial sweeteners exceed statutory authority and would give the Food and Drug Commissioner power to determine what

products can be marketed. Abbott Laboratories has charged.

"It appears that the proposed regulations are intended to severely limit the number of vitamin and mineral products now available to the medical profession and to the general public," said David M. Crawford, Abbott Secretary and General Counsel, in a statement filed with the Department of Health, Education and Welfare.

"We submit that the Food and Drug Administration is not authorized by law to ac-

complish this objective." He also charged that the proposed regulations include controls over the use of artificial sweeteners in food products "to an extent we believe to be unauthorized by statute. These controls would operate, we believe, to restrict the use of such agents both in special purpose foods and in foods generally."

One of the proposed regulations, he pointed out, would prohibit the marketing of a food containing an artificial sweetener if there were no significant difference in calories between it and the same food when made with a natural sweetener, and "this is not a valid exercise of administrative power."

The Abbott counsel said that, "for a number of arti-

there is no food with which the artificially sweetened product can be meaningfully compared or compared at all. Furthermore, this regulation does not take into consideration the fact that one of the special dietary uses of foods containing artificial sweeteners is for persons who must restrict their intake of sugar due to a disease such as diabetes and not solely due to a desire for low-calorie products."

The proposed regulations also would severely restrict the technological use of artificial sweeteners as flavoring agents or for effect other than caloric reduction, Crawford said. He termed such restrictions "unwarranted by law and improper."

In such cases the artificial sweeteners serve a "functional purpose and are not used for special dietary reason," he said. "One outstanding example is the use of Sucaryl in the curing of meat products. . . . to produce a better tasting bacon that does not scorch and char and ham that is meatier in taste than was previously available."

The proposed restrictions would require that the use of the artificial sweetener for such purposes result in no significant caloric reduction in the fabricated food, and that the presence of the artificial sweetener be declared only by its common name.

"It is improper, in our opinion, to distinguish between technological use and special dietary use on the basis of any test such as the significance of any caloric reduction in the fabricated food," Crawford said. "Not only is such a test meaningless in some instances but it is irrelevant to the standard set forth in the statute."

He also pointed out that the proposed regulations would prohibit the use of the trade name, but that the trade name is "a valuable property right which should not be lightly destroyed."

The Abbott counsel supported amendment of the regulations on dietary foods, but suggested a number of changes in the FDA proposals "to reflect scientific facts."

Wide Range Covered By 4-H Projects

A 4-H project for every interest. That might well be the slogan of the new 4-H club program in Lake County, says Ray T. Nicholas, Lake County Farm Adviser.

A summary of the 1962 4-H club enrollment shows that the 487 different members conducted 791 projects varying from pigeons to beef cattle in the animal projects; from carrots to corn in the crop projects; and including such recent projects as dog care, photography, indoor

gardening, automotive and many others.

The leading project was handicraft. Tying for second place in project interest were the horse and pony project and the gardening project. Sixty-eight of the members enrolled in the horse and pony project were girls.

The third most popular project was the dog care project.

Other projects carried by Lake County 4-H club members included corn, soil conservation, forestry, wildlife conservation, poultry, dairy, beef, sheep, swine, rabbits, honey production, entomology, tractor maintenance, electricity, automotive, concrete, flower gardening, home grounds improvement, party a month, photography, gardening indoors, bird study and baby sitting.

The 4-H program is sponsored by the Cooperative Extension Service of the University of Illinois, and is

under the supervision of Lake County Farm Adviser Ray T. Nicholas.

The 4-H program is conducted in areas throughout all of Lake County by voluntary leaders.

Information regarding the 4-H program and a list of the

Agricultural leaders may be obtained by writing or calling the Farm Adviser's office, Telephone Baldwin 3-8844, P.O. Box 287, Grayslake.

Other ranges may look as modern, but nothing cooks as modern as gas

Modern cooking means greatest convenience . . . only new gas ranges offer oven "controlled cooking" to cook food perfectly, then keep it warm and ready to serve for hours—automatically! Only gas ranges give automatic top burners with such accurate control of selected temperatures . . . make any cooking vessel, metal or glass, an automatic appliance.

Modern cooking means greatest speed . . . only gas gives you instant control with countless shades of heat between low and high. When you turn gas off, it's off—instantly—with no hang-over heat to raise kitchen temperatures.

Modern broiling means cleaner kitchens . . . only gas gives you truly smokeless broiling; you broil with the broiler door closed—the gas flame consumes greasy smoke that would otherwise escape into the kitchen.

Modern economy means more for your money . . . only gas ranges combine up-to-the-minute style and features with greatest economy and dependability to make your cooking simpler and surer than ever before! Vegetables or Violinists, The Lehnerts Grow the Best

"Pa, can I have a violin?" asked 7-year-old Oswald Lehnert.

"No," said his father. "Costs too much money." But Oswald brought home a violin and when his father heard the first few notes (the boy drew from it, he said, "You can have it, and you'll take lessons." And Oswald took the violin to bed with him that night.

Oswald is the son of Oswald and Catharine Lehnert, and at that time they lived in Kenosha, Wis. Oswald, Sr., was a painter and decorator. Eleven years ago they moved

to Salem, Wis., and now run a fruit and vegetable stand on Hwy. 80, just west of the intersection with Route 83.

The violin has been the ruling force in the life of Oswald Lehnert in the 23 years that have passed since he got the instrument and his playing of it has drawn rare praise from critics all over the world.

His father, Oswald, Sr., says that he recognized Oswald's abilities that first time he drew the bow across the strings. He and his wife, Catharine, made any sacrifice necessary to see that Oswald got the schooling he needed. They're both gifted musicians, themselves, so they were well able to judge the caliber of his teachers.

Oswald Lehnert, Sr., sang with the Chicago Opera Company. He and his wife played and sang German folk songs for several years over WRJ radio in Kenosha.

Young Oswald persisted and got his way when his father first refused his request for a violin. And later, when he was 11, he asked his father to buy him a ticket so he could go to a performance of the opera "Carmen." Again his father refused—too much money. So young Oswald "sneaked" in. Ousted from one seat after another by arriving ticket holders, Oswald finally settled into seat beside Claudia Cassidy, Tribune writer. The two struck up a conversation, and Oswald told Miss Cassidy his predicament.

Miss Cassidy, knowing the ushers wouldn't evict her, gave the boy her ticket. Then he worried that she would lose her place. She reassured him, and before the performance ended they were friends. Miss Cassidy has kept in touch with Oswald and his family ever since. During their first meeting, Oswald had told Miss Cassidy confused with chatter about Napoli, Monrico and La Tosca. She didn't know he referred to his brothers and sisters.

Oswald first gained musical recognition at the age of 5 when he sang an aria from Pagliacci, in Italian, with the Major Bowes unit in Kenosha. The Operatic Wonder, they called him. Tutored by his father, he could sing selections from operas in both German and Italian.

Oswald grew up in an atmosphere of music. All the Lehnert children have studied to play some instrument. His younger brothers, Papoi (pronounced in the Latin way, Nah) and Monrico, play violin and piano, and were a well-known duo. La Tosca, the only girl is an accomplished musician. The youngest boy, Conio, 16 years old, after several years of study, gave up serious playing when his parents decided he was not gifted in that direction. Now, attending Salem Central High School, his present aim is a career in baseball. But even if he can't produce it, he loves good music as much as the rest of them, says his mother.

Oswald's first violin teacher was Mrs. Helen Tower, former concert mistress of the Kenosha Symphony Orchestra. He continued his studies at the Chicago Musical College and Northwestern University. At fifteen, he played as soloist with the Chicago Symphony Orchestra. At sixteen, he left home to study at the Julliard School of Music on a scholarship. From the Julliard School, in another competition, he was selected as a music cadet at West Point. After West Point, he toured Europe. Returning from Europe, he went to California, where he met his wife, Doris, a concert pianist. He now is head of the string department at the Hartford Conservatory of Music in Hartford, Conn., where his wife also teaches.

Last spring, Oswald competed in the International Tchaikovsky Competition held in Moscow. In competition with 160 musicians, Lehnert was awarded a Certificate of Honor for his playing, although he injured his hand with too much practice. He was one of three Americans to reach the semi-finals, and in spite of his injured hand won high praise with his performance.

Oswald recently returned home to visit his parents, and played a guest appearance

with the Kenosha Symphony Orchestra.

Oswald had returned to Hartford when I visited his parents. Their home is the old Brass Ball schoolhouse. In a huge main room there's a grand piano. They hold musical evenings here—always have, I gather—and among their guests have been some who went on to win acclaim in their field. Oswald, Sr., says he can spot the great ones at these gatherings—he prophesied that two of their young friends, Doro-

thy Rasmussen, soprano, and Mary Sauer, concert pianist, would win recognition, and they did.

The Lehnerts live simply,

Oswald Lehnert, Sr., he isn't left-handed. He posed this way to tease his mother.

and without pretension. They're proud of their son, and of all their children. They seem interested in only two things, aside from their

family—music and the earth. Catharine Lehnert's only regrets of the course of her son's life is that he hasn't time in his busy schedule of teaching, playing and practice to get back to the earth. He didn't get time, on his short visit home, to relax and enjoy the beauty of a long strip of fence covered with morning glory blooms she had planted. Or to wander through the big vegetable garden and admire and taste the big red tomatoes and brilliant red and green peppers his father had grown.

Oswald's next concert appearance will be in Cologne, Germany, sometime in the early winter. His parents will accompany him on this trip, and visit relatives in Germany they have not seen in many years. Both are of

Linderhurst News

By Mrs. Bernice Bernau

Altar and Rosary

The card party and hat style show was well attended Thursday evening. The chaplain that received the most comment was the new "wig hat." It can be set to look like your hair and comes in all colors. The model wore a silvery white one. Mrs. Doris Reidel wore one of the new hats when she left—a gift to her from the Ritz Hat Shop in Waukegan.

Linderhurst Men's Club

The Men's Club will meet Nov. 1 in the Linderhurst Olive Center. There will be a short business meeting. New members will be accepted and welcomed.

New Year's Eve Party

At a joint board meeting of the Linderhurst Men's and Women's Clubs, the officers voted to have a New Year's Eve party similar to the one they had last year. Frank Cuden's orchestra will provide the music.

Anniversary

Mr. and Mrs. John (Mary) Cepon of Deep Lake Road celebrated their 42nd wed-

ding anniversary Oct. 24. Congratulations to you both. Stop Signs

Twenty-four new stop signs have been put up in Linderhurst, and 12 more are going up. Twenty mile per hour signs are also going to be put up. If you think your corner needs a sign, let Al Hart know, Elliot 6-1741.

Left for Florida

Mr. and Mrs. Carsten Hanson left for St. Petersburg, Fla., recently to spend the winter.

Little Artists

Have you noticed the windows in Linden Plaza? Halloween pictures have been painted on all the windows by the various children's organizations in the area. Among them were two patrols of Boy Scouts from Grandwood Park, Troop 74; Linderhurst Junior Police; Brownie Troops 128 and 289 of Linderhurst; Girl Scout Troop 211 of Venetian Village; Intermediate Girl Scout Troop 216 of Lake Villa; and Boy Scout Troop 84 of Linderhurst.

Brownie Troops 128 and 289 held an investiture ceremony at Hooper School last Tuesday afternoon. Invested were Bonnie Windorff, Rebecca Corder, Sherri Gibbs, Dawn Eiserman, Marie Robinson, Lee Ann Wright, Pat McSorley, Toni Bechtol, Tanja Slovinsky and Pat Scholastico from Troop 128. Bonnie Hay was the only girl from Troop 289.

Mrs. Wyneth Claffy, leader of Troop 128 presented adult Girl Scout membership cards to Mrs. Paul Wright, Mrs. Ted Finnagan, Mrs. Jack Thompson, Mrs. Jerry Dusek and Mrs. Albert Gibbs, members of the committee. Mrs. James Withner was presented with her pin as co-leader.

Mrs. Gloria Corder, leader of Troop 289 presented cards to Mrs. Paul Ireland and Mrs. George Orban. Also on the committee is Mrs. Richard Wells.

Sympathy Note

Condolences are sent to Mr. and Mrs. Jack Halvey of Hazelwood Drive in the loss of their infant son, John Joseph, weighed an even 7 pounds when he was born on Oct. 14 at St. Therese Hospital. He died two days later and was buried in All Saints Cemetery. The Halveys have four other children: Larry, Marty, Eddie and Mary Beth.

Night Owls

The Night-Owls had a Halloween party Friday evening and came in costume. Ruth Burke was the hostess.

Christening

James Edward, three week old son of Mr. and Mrs. Jim Nikolai, was christened Sunday afternoon at Prince of Peace Church. Sponsors were Mr. and Mrs. Joe (Lucille) Adamus of Chicago. Grandparents are the Joseph Nikolais of Waukegan, Wis., and the Clarence Adamus of Chicago. Several other relatives attended the party.

Halloween Party

The Halloween Dance sponsored by the Linderhurst Men's and Women's Clubs was well attended Saturday evening. The judges, Mr. and Mrs. Ray Verdecik and Lyle Mercer, had a difficult time making their decisions. The best couple award went to Ted and Ethel Brendel.

They were dressed as a little old man and lady. They had donated a centerpiece and when they won it, they donated it back again to be given away later. Mrs. Marge Campbell of Antioch won it, then. Dec. Flint wore a witch's black hat that covered her to her knees. She won the award for the best female costume. Bob Karry came in a cardboard out-house, with the "Spirit of Linderhurst" written on it. He received the award for the best male outfit. Dorothy Thompson won for the most original outfit. She wore a pumpkin. She wore a paper mache pumpkin head, orange tee shirt and orange slacks. (Bert Harcege had made the head for herself, but wasn't able to go to the dance so loaned it to Dorothy. They are sharing the prize, a bottle of Jim Beam.)

Fashion Show

The Fashion Show sponsored by the Linderhurst Sportsmen's Auxiliary was quite an affair last Thursday evening. Modeling were Misses Toni Meier, Sandra Hay, Bonnie Swoboda, Maxine

Shutte, Joan Calderone and Roberta Brauer. Madames Vivian Nelson, Bernice Calderone and Lorraine Shutte. Mrs. Mildred Warfield of Chicago will be sporting a new fall outfit, compliments of the Auxiliary. Several other items of wearing apparel were disposed of during the evening. Clara Langager received a lovely hat from the Lor-A-Lyn Shop in Antioch.

First Holy Communion

Children of the parish will be making their First Holy Communion on Saturday at the 9 o'clock mass at Prince of Peace Church.

All Saints Day

November 1 is a Holy Day of Obligation—The Feast of All Saints. The masses will be at 8 a.m. and 9 a.m., also at 9 p.m.

All Souls Day and First Friday fall on the same day. The mass for those enrolled in the Purgatorial Society will be said at 8 a.m. There will also be masses at 7 a.m. and 11 a.m.

Newcomers

Mr. and Mrs. James (Margaret) Graham have purchased the Anthony Proce home at 2118 E. Woodlawn Drive and have been living there since June 10. They formerly lived at Great Lakes. Jim retired recently as a Chief Gunner's Mate after being in the Navy for 22 years. They have lived in New Orleans, New York, Washington, Long Beach, Honolulu to name just a few of the places. Margaret is originally from San Diego and Jim from Los Angeles. Margaret has been working as a cashier for 3½ years at Ted's Restaurant in Waukegan. Jim is now employed by the Toni Company in North Chicago.

They have been married for 20 years and have four children. Jim, the oldest, is 17. He is a senior at Antioch and enjoys bowling and baseball. He was in Little League when he was younger and now plays at school. He is a very good bowler and is on the Florio's Pizzeria team in the Linderhurst League. This week he rolled a 233 game. Chris Ann is 15 and a sophomore at Antioch. She enjoys roller skating and

other things that interest a girl her age. Dona Lin is 9 and the baby Timmy is a year old. They have always lived in the city and enjoy living in the country.

Dedicate Baby

Mr. and Mrs. Robert Rozhon dedicated their daughter, Robbin Laurissa, at the Lakeland Baptist Church Sunday. They also held open house for their friends and relatives in the afternoon. Approximately 40 persons attended.

VFW Auxiliary

Gold Star mothers and sisters will be honored at the next meeting of the Lake Villa VFW Auxiliary on Nov. 55. A potluck supper will be served, starting at 6:30 p.m. Members are asked to bring a dish to pass.

There will also be a silent auction on white elephant items, with Kay Kasting, Auxiliary Cancer chairman, in charge. Proceeds will be used for cancer research.

Attend Wedding

The Floyd Stanley family attended the wedding of Lu's cousin, Miss Carol Hornacek, to Keith Kube Saturday, Oct. 20, at St. Peter's Church in Antioch. The couple were married at 12 o'clock mass. A reception for approximately 200 guests was held at the K. C. Ranch House in Long Lake.

Homecoming Queen

Bill Baumgartner is proudly telling everyone that his niece Patricia Baumgartner was crowned Homecoming Queen at Barrington High School recently. In the school play, "Diary of Anne Frank," she had the leading role.

4-H News

Sixteen members, five mothers and the four leaders attended the 4-H Daisies Juniors and Juniors meeting last Wednesday at the home of Mrs. Lorraine Lewis.

An election of officers was held, with Debbie Mertes emerging the victor. Linda Windorff was elected vice-president; Linda Bywell, secretary-treasurer and Kathy Grossi, reporter. Eunice Panzer is committee chairman.

The Juniors' projects will be "You Learn to Sew," "Beginning Table Covers" and "You Learn to Bake."

Comfort, silence and luxury to challenge any car from anywhere

There's a lot underneath the beauty of the '63 Chevrolet. Its roomy, comfortable Body by Fisher screens out noise and shock. There's instant response in a choice of 6- or 8-cylinder engines, a host of refinements to make it run and look like new longer, and plenty more that make it hard to believe it's a low-priced car. But your Chevrolet dealer can prove it!

Students See Science Show

Have you ever seen a car run solely by power of the sun? Or synthetic rubber manufactured in a pop bottle in 60 seconds?

Students at Salem Central High had just that opportunity recently when the world-famous General Motors Science show presented "Previews of Progress." This show was presented by Mr. Jim Dean with the assistance of Mr. Dave Busch. It was narrated in understandable,

non-technical language and made science come alive to the students. Demonstrations were well-presented, and students were enthralled by all of it.

This show has been presented to more than 18 million students and adults in the United States alive, and to many more through the medium of television. However, the students of Central High were the first ones in the State of Wisconsin to see the demonstration.

One of the highlights of the show was the amazing GM Sunmobile, a miniature car that actually runs on the power of the Sun.

Students Aptitudes Tested at Grant

Through an arrangement made by the Grant High School Guidance Services Department all senior students who plan to enter the labor market after graduation are being tested by the Illinois State Employment Service.

The tests were administered at no cost by Mrs. Helen Martindale Oct. 15-18. The tests are designed to measure several aptitudes which have been found important to success in many occupations and will aid in proper placement.

After the tests have been scored and interpreted the counselor will return for personal interviews with the students.

Tag Day At Lake Villa

By Mrs. Fred Bartlett
LAKE VILLA—The annual Children's Benefit tag day was held recently throughout the Chicago Metropolitan area. Several thousand women representing 50 child welfare agencies sold tags on street corners in Chicago and surrounding communities.

In Lake Villa 13 ladies "tagged" in behalf of Allendale school for boys. Mrs. Elmer Monnier, chairman in charge of the tag day, reported the taggers were well received and that people in the area were generous in their contributions.

The following tagged for Allendale: Mrs. Elmer Monnier, Mrs. M. E. Colbert, Mrs. Robert Smith, Mrs. Ronald Rabus, Mrs. Boyd Hetland, Mrs. John Halsma, Mrs. Joseph Botts, Mrs. Fred Bartlett, Sr., Mrs. M. Oelkers, Mrs. John Miller, Mrs. Edward Rowley, Mrs. John Holvey and Mrs. George Barnard.

The Children's Benefit tag day is one of the five tag days operating under the official sanction of the city of Chicago and suburbs. Funds collected by the workers of various agencies are retained by that agency and used for the care and education of underprivileged children.

Civil Defense Gives Steps You Can Take

The office of the Lake County Civil Defense this week released advice on the requirements for a fall-out shelter, and steps you can take for your protection if you have no such shelter.

Steps you can take now for your protection:

1. Select an area of your basement away from windows or doors. Cover windows with dirt or brick.
2. If your home does not have a basement, an inside hallway, room, or closet is the next best location. If your neighbor has a basement, see if you can share it with him, you bringing food and WATER for your family. Seven gallons per person for two weeks is the minimum fluid requirement.
3. Shut off gas, water and electricity at main shut-off points.
4. Be sure you have a battery operated AM radio and extra batteries, and tune to CONELRAD 640 or 1240 on AM dial.
5. For additional information contact your local Civil Defense Director and/or Mayor.

Let's Clear Up The Mess In Lake County

- **Open gambling in Antioch.**
(exposed by the Chicago Tribune)
- **Continuing higher taxes.**
(A "reduction in taxes" was promised in 1956 if Township Collector offices were eliminated. The saving of \$500,000 annually was to be passed on to the taxpayers. Where is it?)
- **New Court House proposed cost 7 1/2 million.**
(Lake County voters in November, '58 voted 2 to 1 against spending 2 1/2 million for a new Court House. Who should decide—the voters or the Court House gang?)
- **Traffic disasters in Lake County.**
(According to the Lake County Safety Commission, traffic fatalities for '61 increased 57% over 1960. Better law enforcement, road maintenance, road signs can reduce this death rate considerably.)
- **Lower educational standards.**
(A state wide survey in 1960 revealed Lake County was using more unqualified teachers than any county in Illinois. This hampered your highly qualified teachers in their efforts to reach peak efficiency in training Lake County students.)

With the exception of a 13 month term in 1934, (County Clerk Alford - Democrat), Lake County has been dominated by the Republican Party for the past 100 years.

Who then can be held responsible for the total disregard of the Lake County citizens desire for honesty, lower taxes, personal safety, and our childrens education?

The "grand old party" has had plenty of time to provide leadership and they have failed. Lake County is now the second largest in the State and growing rapidly.
